

YOU LOVE ART JUST AS MUCH AS WE DO?

CONTEMPORARY, POP & URBAN ART

We are looking for a part-time Sales Consultant (m/f/x) for our gallery in Bratislava.

RD Gallery 21 is proud to present a unique collection of vibrant artworks by our family of contemporary artists. Internationally renowned for color, imagination, and positivity, RD Gallery 21 houses a diverse array of artwork - primarily works of American Pop Art.

Starting with the most important representatives of this movement, such as Andy Warhol, Roy Lichtenstein and many others, the collection has been expanded over the years to include exciting positions in urban art, as Banksy.

We are passionate about what we do and very happy to share our experience with you.

Be part of our mission to open up the art world to everyone.

YOUR PROFILE

- Actively selling our artworks and advising our customers
- You ensure a unique visiting and buying experience with the little stories behind the work
- Dealing with our customers' concerns after the purchase
- Support with hanging, managing deliveries and inventory management
- Collaboration in the organization of our various events such as vernissages and artist talks
- Very good written and spoken English skills (German is an advantage)
- Team player and not afraid of customer contact
- Marketing & Social Media Skills
- Interior Design Lover – We are working together with an Interior Design Agency and therefore it would be an advantage creating initial design sketches, Moodboards, color themes and ideas based on client requirements in combination with the suitable artworks

WHY RD GALLERY 21

- Very good working atmosphere in a motivated team
- Central store location
- Short decision-making processes and great creative freedom in an owner-managed company
- Self-determined, independent work
- Transparent and attractive bonus system, your performance pays off for you
- Salary depends on qualifications and previous experience.
